

Metiria Turei

Green Party Spokesperson for Conservation

invites you to join us at the Beehive, Level 1 West Foyer

for the launch of the Friends of Tangaroa's campaign to stop "scientific whaling" in the Southern Oceans, in a way that respects and honours the cultures of all involved.

12.30-1.30pm on

Wednesday the 1st of October

The launch will include an overview of the approach, year 3 & 4 children from Plimmerton School will present their art and poetry and a DVD of last years whale encounter off Island Bay will be shown.

RSVP is required for security.
